# Introduction

Thank you for your interest in partnering with SAG IPL for your project. With well over 100,000 firms offering website development services, we know how challenging it can be to find the right agency for your web development needs.

At SAG IPL, we hold one goal above all others: 100% client satisfaction. Our in-house team of web designers, web developers, graphic designers, mobile application developers (IOS and Android) and Internet Marketers uphold the highest standards for project planning and execution, and we're dedicated to building the perfect website for your company on-time and on-budget.

We've built websites for several brands around the world with great success, and are quite excited to get to work on yours.

In this proposal, you'll find examples of our past work along with what we feel is the optimal solution for your project needs, along with the associated delivery timeline, costs, and project terms. Once you've reviewed this proposal thoroughly, simply electronically sign it at the bottom to indicate your approval.

Thanks again for the opportunity to earn your business!
